### Torches In the Fight Against Cancer

At the American Cancer Society

On Friday April 30th, hundreds of torches will illuminate the Relay For Life of Fayette County. What an inspirational sight! Torches displaying the names of all those being Remembered and Honored will remain lit throughout the night as a constant reminder of what the Fayette County teams are relaying for. We invite you to participate in this meaningful event by donating a torch "In Memory" of a loved one that lost the battle with Cancer or "In Honor" of a Cancer Survivor. Then, on April 30th we ask you to attend the Relay For Life of Fayette County. You can search for the torch you donated, be inspired at the Celebration Opening Ceremony, touched by the Luminaria Remember Ceremony, moved at the Midnight Memorial Ceremony, and inspired at the dawn Fight Back Ceremony.

**Please join us as we Celebrate. Remember. and Fight Back.**
